Swim Lesson Registration Information

Registration Information and Tips:

Please be sure you are registering for the correct level. Swim lessons are often full and transfers between classes will be made only if space is available.

- It is very common for swimmers to repeat levels. Keep in mind, they are still learning and gaining valuable practice time.
- Please do not register for a higher level until you receive an instructor evaluation card indicating they have accomplished the required skills. For example, register for Penguin for the first and second sessions. If the swimmer has passed a level and we are unable to transfer them into a higher level, the instructor can provide the swimmer more challenging skills. If they have not passed and are mistakenly registered for a higher level, it is likely there won't be an opening to transfer to and the only option may be to cancel from that session.
- Changes in registration will be made only upon your request by calling the Lacey Parks and Recreation office and if space is available.
- Don't be discouraged if a class is full, we often add classes based on the waitlist. If you are registering online you can add yourself to any waitlist or call our office.

Sea Horse

Ages 12 months - 4 years

No pre-requisite skills required.

At least one adult is required to be in the water with the swimmer.

Sea Puffer

Ages 3.5 - 5 years

No pre-requisite skills required.

This class is for beginner swimmers ready to follow instructions from a teacher and be in a class without a parent. The class is taught on an underwater platform to make the water shallower and more comfortable for the swimmers.

Penguin

Ages 4.5 years and older

No pre-requisite skills required.

This is a beginner class. Students should be comfortable in the water and able to hang onto the side of the pool in water that is 4 ft. deep.

If you are new to our swim lesson program, to register for any level above penguin, a swim test is required for enrollment. Swim tests are offered for free at any open swim.

Advanced levels include: Otter, Seal, Dolphin, Marlin and Barracuda.
