## Updated 6-29-20

As part of the Lacey Police Department's response to the COVID-19 health emergency, the following measures will be instituted to maintain essential police functions beginning Tuesday, March 17 and will remain effective until further notice:

### Calls for Service

Lacey Police Department Officers will remain active in patrolling our City and will respond in person to calls where a suspect is present or there is a current danger to people or property.

Police will respond by telephone to all calls that do not involve a suspect on-scene or a current danger to people or property to assess the need for an in-person response.

If you have an emergency, call 9-1-1. Police personnel can also be reached 24/7 for non-emergencies at 360-704-2740.
